

Ruth McBride-Powers Memorial Award 2010 Preservation Month

Rolla and Marge Harding *Ermatinger House*

"I met Marge and Rolla over 10 years ago. They approached me wanting to create a preservation plan and pursue grant funding for the Ermatinger House. They have been incredible stewards of this property and have also been crucial in preservation efforts of the McLoughlin House, Barclay House, Rose Farm and other important resources in Oregon City. Their dedication and time commitments deserve recognition."
