Description of Physical and Landscape Features:					
This 1-1/2 story Craftsman house has a rectangular plan and sits on a poured concrete foundation with basement. The gable roof is covered in composition shingles, pierced by a large shed dormer. The house is covered with wood shingles. Windows are multi-pane casement and multi-pane over one wood double-hung. The east façade has a square bay with a shed roof. The recessed main entrance is located on the south façade and is covered with a pent roof. A garage door leading to the basement garage is also on the south façade is topped with an overhanging balcony.					
Statement of Significance:
