

Oregon City Urban Renewal Agency
Adopted Biennial Budget
July 1, 2025, through June 30, 2027

Introduction

The Oregon City Urban Renewal Agency's 2025-2027 Proposed Biennial Budget is balanced and has been prepared in accordance with Oregon Budget Law. For the period July 1, 2025, through June 30, 2027, the total budget is \$14,254,800. The proposed budget presented reflects an incremental assessed value of \$65,875,000 in the first year (approximately 25% of the full incremental value), resulting in collections of approximately \$1.0 million. For the second year, the budget reflects an incremental assessed value of \$136,461,000 (approximately 50% of the full incremental value), resulting in collections of approximately \$2.1 million.

The Agency is a separate legal entity from the City of Oregon City that is established under State law. Oregon Revised Statutes Chapter 457.035(1) creates "a public body corporate and politic to be known as the urban renewal agency" for each municipality. The Oregon City Urban Renewal Commission is responsible for providing oversight for the District as specified in the Downtown/North End Urban Renewal Plan

On November 8, 2016, voters approved Measure 3-514, which was intended to limit the use of urban renewal in Oregon City. On July 18, 2017, the Circuit Court determined that the measure is preempted by Oregon Revised Statutes Chapter 457. The Court found that the measure is inconsistent with State law and that the Agency's expenditures are not restricted. This decision was appealed to the Oregon Court of Appeals. On November 15, 2022, the Court of Appeals declared that a portion of the measure, specifically part E of Section 59 in the Oregon City Municipal Code, is unenforceable as preempted by state law.

The Urban Renewal Commission approved the 11th amendment to the Urban Renewal Plan on December 21, 2022. This amendment updated the project plan to three primary projects, which are the Rossman Landfill, Clackamette Cove, and the Stimson Property, and several secondary projects, including the County Courthouse on Main Street, improvements to the End of the Oregon Trail Interpretive Center, downtown railroad Quiet Zone, and development of the vacant 12th and Main Street property.

On May 16, 2023, voters rejected Measure 3-597, which requested the approval for the Urban Renewal Agency to borrow up to \$44 million for projects in the Urban Renewal Plan. The Urban Renewal Commission adopted the 2023-2025 budget with a \$0 incremental assessed value for fiscal year 2023-2024, effectively generating \$0 of urban renewal property tax income. The adoption also set the incremental assessed value to \$55,165,000 for fiscal year 2024-2025, which was approximately 25% of the full incremental assessed value and anticipated to generate approximately \$828,000.

The responsibility of the Urban Renewal Budget Committee is to review the proposed budget and determine the tax levy, the uses of all resources, and approve the budget. Subsequently, the Urban Renewal Commission has the responsibility to review the approved budget, revise if necessary, and adopt the budget by June 30th.

Budget Highlights

The proposed budget is funded by total biennial revenues of \$3.8 million (excluding beginning fund balance). Tax increment increases are budgeted at 3.0% for each year of the biennium. Other revenue sources include income from property rentals and investment income.

Projected spending for the biennium totals \$14.2 million and is comprised of minimum operating and legal costs as well as capital projects. Finally, the budget includes costs to operate Agency-owned rental properties. An operating contingency of \$0.1 million is available for appropriation to projects pending the Urban Renewal Commission's review.
