To Whom It May Concern:

Enclosed is my "Life Time Pass" card for rides on the Oregon City Municipal Elevator, issued to me in 1955 when I was a resident there. It's an item from my past that I thought might be of interest for your museum. I don't know how this little card has managed to stay in my possession throughout all these years and changes of addresses I've had, but here it is. I hope you can display it somewhere.
