STATEMENT OF SIGNIFICANCE: (Historical and/or architectural importance, dates, events, persons, contexts): A long-time resident of this house was Jack Charriere, who was employed by Crown-Willamette Paper Co. Although the facade of the house has been altered, the house retains its vernacular (almost farmhouse) appearance that was typical of Buena Vista houses of this age. Houses beyond this point are mostly of the bungalow style and were built some years later. The house is significant for its age and architecture.
