

OREGON CITY

Please join the City of Oregon City and the Oregon Department of Transportation for a

Solar Highway Town Hall

When: Wednesday, July 29, 2009

Where: Oregon City

Time: 6:00-8:00pm

Commission Chambers

320 Warner Milne Rd.

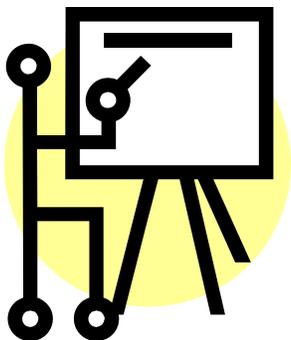

Why:

Learn more about the benefits of solar highways.

For more information specific to Oregon City Town Hall:
<http://www.oregoncity.org/>

We'll have an informational discussion about solar highways, the possibility of developing a solar project in West Linn, and potential impacts on Oregon City.

□□□□

A "solar highway" generates electricity from solar panels during the day to power highway lighting at night. West Linn is one potential site under consideration. Log on to <http://westlinnoregon.gov> to learn more about solar highways and to participate in an online forum on the topic.
