OREGON CITY

FEBRUARY 2003

City Matters...Mayor Alice Norris

What a privilege to serve this unique and historic city! Your new city commission is committed to working together to make creative and tough decisions that will make Oregon City an ever better place to live and work.

Outstanding educator John Gardner listed ten ingredients that make great communities:

1. Participation
2. Effective internal communications
3. Development of young people
4. A forward view
5. Wholeness incorporating diversity
6. A reasonable base of shared values
7. Caring, trust, and teamwork
8. Affirmation
9. Links beyond community
10. Institutional arrangements for community maintenance

Despite our economic challenges, Oregon City has the potential for greatness. To enhance our river and natural areas, historic district, county and community college partnerships, downtown, arts & culture, youth activities and business attraction, will require your participation and support. Contact me to get involved!

Drumming Circles

Drumming Circles are the latest thing, and everyone has them except the West Coast. I have attended two sessions learning about these "circles", and found them to be a lot of fun, as well as healthy. Research shows a measurable boost in disease-

fighting cells after drumming. Other benefits include emotional support, nurturing, creativity and music making. It's a wonderful means of self-expression and good exercise, while relieving stress. The muscles in your shoulders, arms, neck and hands get a great workout.

In a Drumming Circle, folks sit together, usually in a circle, and play improvised rhythms on percussion instruments. Instead of a teacher, there is a group leader. There is no audience—everyone participates. You become a member of the band, which is good for the body and the soul. Drumming involves no musical skill or prior experience.

The Pioneer Center has invited Jill Sage, who was trained on the East Coast by the man who originated these "circles", to start Drumming Circles here at the Center. She brings in different percussion instruments for people to use, or you can bring your own drum. It's fun to trade off and try something new during the session. Once you get started, it's hard to quit.

Look for Drumming Circles coming to our Center soon. Contact us at 503-657-8287 if you are interested in joining this class. You will be glad you did!

First City Cleanup and Enhancement Event

Plans have begun for the 16th Annual Cleanup and Enhancement Event on April 26th. The event is in conjunction with SOLV and Metro regional cleanup and enhancement projects. Annual projects enhance and beautify city streets, parks, neighborhoods and green spaces. The First City Cleanup and Enhancement Committee is in the process of taking site nominations

for projects throughout the community for this event. The cut-off date for cleanup site nominations is March 15th.

The 2002 project mobilized over 250 youth and adults who participated in projects. Girl and Boy Scout troops planted native vegetation along the Willamette River, and spread bark dust around the skateboard park. Jerry Herrmann, Committee Chair, took on the project of planting native species along Washington Street adjacent to the new Home Depot. Over 50 members of the Oregon City Junior ROTC assisted in the beautification project.

B&B Leasing/Oregon City Garbage initiated a new project last year that consisted of a special pickup for the elderly and disabled. Approximately 40 people participated in the project. The Cleanup Committee would like to give a special thank-you to the owners and employees of B&B Leasing for their great community support.

We would also like to thank the many other businesses, including: Hagggen Food and Pharmacy; Home Depot; Clackamas Sand and Gravel; Wilco Farms and the City of Oregon City for their contributions that helped make the 2002 cleanup a success.

For nomination forms or more information call 503-313-0024 or e-mail Orzep@bctonline.com.

Identity Theft Information

Identity theft has victimized over 750,000 people in the United States in the last year alone. It is considered the fastest growing financial crime, and accounts for over 55 percent of consumer fraud cases. The Federal Trade Commission indicates that

(Continued on next page)

(Continued from previous page)

identity theft complaints far exceed other areas of fraud, such as deceptive Internet auctions and lotteries.

The Oregon City Police Department has these tips on how to prevent and respond to identity theft.

If your purse or wallet is stolen you should:

- File a report with the police immediately.
- Cancel your credit and debit cards.
- Call the fraud departments of the major credit reporting agencies. Ask them to put a “fraud alert” on your account and add a “victim’s statement” to your file requesting that creditors contact you before opening new accounts in your name.
- Get a new ATM card, account number and Personal Identification Number (PIN).
- Report your missing driver’s license to DMV.

If you believe you are a victim of identity theft you should:

- Report the fraud to the police department.
- Notify your credit card companies and bank.
- Alert social security, if you receive a social security check.
- File a complaint with the Federal Trade Commission by contacting the FTC’s Identity Theft Hotline by telephoning 1-877-IDTHEFT.

You can help prevent identity theft by:

- Examining your monthly banking and credit card statements for unauthorized purchases.
- Taking outgoing mail to the post office or mail from a secure location, and use a locked mailbox to receive your mail.
- Storing all checks and documents in a safe place at home.
- Shredding all documents that contain your personal information.
- Giving out your Social Security number only when necessary.
- Minimizing the identification information and the number of cards you carry in your wallet.

By following these guidelines, you can help stop the fastest growing crime in America. Remember, it can happen to anyone!

Friday Nite Live

Local bands will perform live for high school audiences at the Oregon City Pool, every third Friday, from 8:00 to 10:00 p.m.

Parks & Recreation Classes

Listed below are the Parks & Recreation classes for February. For more information on these classes, or to register, call 503-722-9816.

Parent & Child Classes

Explore your child’s creativity using a variety of mediums and lots of love! All parent & child classes require parent participation.

- Indoor Playground (Ages 5 and under) ~ The indoor playground promotes a safe and

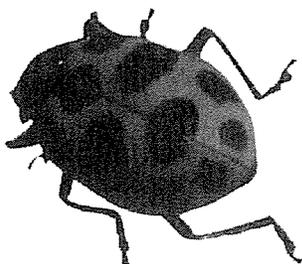

cooperative environment for playtime between children and their parents, while encouraging the development of large motor skills. It is held Mondays and Wednesdays, from 10:00 to 11:30 a.m.

- Bug Mania (Ages 3-5) ~ Learn about ladybugs, spiders, ants and more through games, crafts, treats and more. There are two sections for this class, both on Tuesdays: 10:00 to 11:00 a.m., or 1:00 to 2:00 p.m.
- Art Adventurers (Ages 3-5) ~ Join you child and discover the artist in him/her through finger and sponge painting, collages and other art activities. There are two sections for this class, both on Thursdays: 10:00 to 11:00 a.m., or 1:00 to 2:00 p.m.
- From Me To You – A Valentine Workshop (Ages 3-5) ~ Make luv bugs, tasty treats and more, on February 8th, from 10:00 to 11:00 a.m.

Youth Classes

- From Me To You – A Valentine Workshop (Ages 6-9) ~ Design, create and construct your very own special valentine, on February 8th, from 11:00 a.m. to 12:00 p.m. We will also be decorating some edible valentines.
- Crochet (Ages 10-12) ~ Want to learn how to crochet? Here’s your chance! In this five-week class, held on Wednesdays, from 3:30 to 4:30 p.m., we will be creating potholders and dishcloths, while learning the basic stitches of crocheting. Also get fun ideas of what you can make after you have mastered the basics.
- Splash, Magic and Imagination (Ages 11-14) ~ A little color, some texture and a splash of emotion to express your feeling to family and friends. If you are looking for that special something to give to

(Continued on next page)

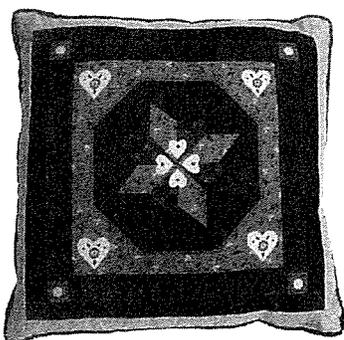

(Continued from previous page)

someone for their birthday, or other special occasion, or to just keep for yourself, why not try making it yourself. We will be making picture frames, trinket boxes, cards and more. Class is held Thursdays from 3:30 to 4:30 p.m.

Adult Classes

- **Advanced Scrap booking** ~ In this speed page class, learn a fast and simple way to get 60-100 photos in your album in 3 hours. Learn multiple 2-page layouts that will enhance your photo, and preserve your memories and stories for a lifetime. Participants will need to bring 10 envelopes with 10 photos in each one, already pre-sorted, an album and adhesive. Page layouts and shortcuts will be provided. Albums and adhesive will be available for purchase at class if needed. Class is held February 18th from 6:00 to 9:00 p.m.

Oregon City Community Quilters

Looking for a place to quilt, make new friends, and work on group projects? We meet every second and forth Tuesday of the month, from 6:30 to 9:00 p.m., at the Buena Vista House. The project for February 11th and 25th is

Bargello quilts. Learn how to make these simple but deceptively intricate-looking quilts. There is a \$4 drop-in fee. Come join the fun!

Low Flow Fixtures

You can save a lot of water and energy with water saving fixtures and appliances. Below are just a few things to look for.

Showerheads

The shower accounts for approximately 20% of indoor water use, and 40% to 50% of hot water use. Studies have shown that most people use 4 to 5 gallons of water a minute when they shower. Some showerheads can flow at a higher rate of up to 8 gallons per minute.

You can continue to enjoy an invigorating shower, and still save water and energy in your shower, by replacing a high-flow showerhead with a new low-flow showerhead. These low-flow showerheads are designed to maintain a refreshing spray and operate within a range of 1.5 to 2.5 gallons of water for each minute. Low flow showerheads increase the shower force by increasing the velocity, while dispersing the water into many tiny droplets that still give you an invigorating shower with less water.

There are several models available, some equipped with a shut off button or handle, that allow you to take a navy shower; so it should be possible to find a model that suits you. Because your shower uses more hot water than any other fixture or appliance, low-flow showerheads will reduce your hot water cost dramatically. So not only will you save money on your water bill, but you will save money on your energy bill as well.

Faucet Aerators

Older faucets typically use 7 gallons per minute, and new faucets use about 3.5 gallons per minute. These kitchen and bathroom faucets can be replaced with low flow faucet aerators, which are available in sizes ranging from .5 to 2.5 gallon per minute. These aerators mix air with the water to make an effective spray pattern. By replacing old aerators with new more efficient one you can save a lot of water.

Low Flow Toilets

If you have an older toilet, you could be using up to 40% of your indoor water use on toilet flushing. Older toilets can use anywhere from 3.5 to 7 gallons per flush. New Ultra Low Flow Toilets, or ULFT's, are a proven technology, and only use 1.6 gallons per flush. Most models work very well, with no special problems. The February 1995 issue of "Consumer Reports" has an excellent comparison of many different models of Ultra Low Flow Toilets

Horizontal-axis Washing Machines

A typical household does nearly 400 loads of laundry a year, using about 40 gallons per full load with a conventional washer. In contrast, new horizontal-axis washing machines only use 20 - 25 gallons per load. These new washing machines are different in that instead of filling the entire tub with water and agitating the clothes covered with water, the new, water efficient machines are front loading and fill the tub only partially full and rotate the clothes through the water. These water efficient clothes washers not only use 1/3 the amount of water as

(Continued on next page)

(Continued from previous page)

conventional washers, but also 1/2 of the energy. Therefore, you can save money by using less water, less detergent, and less energy. These new washing machines are made by a number of different manufacturers and are carried by appliance retailers nationwide.

Also look for the State of Oregon Residential Energy Tax Credit program. Qualified washing machines will result in a tax credit of \$120 to \$210, depending on the model. For more information about a list of qualifying models for tax credits, visit the State Office of Energy website at www.energy.state.or.us.

For more information regarding water saving fixtures and appliances, please call Kimberly Swan at South Fork Water Board, at 503-723-9692.

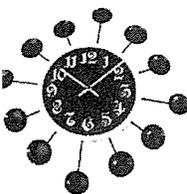

Visit the Library

The Oregon City Library is located at 362 Warner Milne Road in the Hilltop Mall, just across the parking lot from the cinemas. The hours are:

Monday – Thursday 10:00 a.m. to 8:00 p.m.

Friday & Saturday 10:00 a.m. to 6:00 p.m.

Sunday 1:00 p.m. to 5:00 p.m.

Library Website

We are online with a redesigned website at the same address. You can point your browser to <http://www.oregoncity.lib.or.us> for all the latest information on the library, its services and events, the collection and our community partnerships.

Calendar of Events

The library publishes a monthly calendar of activities that may be picked up at any of the service desks. It contains story hours, programs for children and adults, classes and other information in the traditional month-at-a-glance format.

Computer and Internet Classes

The library offers a series of free one-hour sessions for the community on using the Internet and other library resources. Classes are limited to twelve participants, and you will need to pre-register with the reference librarians. For additional information, please call or visit the library. Following is the schedule for February:

February 21st at 1:00 p.m. ~ Introduction to the Internet: learn how to navigate a web browser. This class is designed for people with little or no Internet experience

Cultural Programming

We offer a wide range of cultural programming, from music to lecture, demonstrations to dance. You won't want to miss a single one.

- Thursday, February 6th from 6:30 to 7:30 p.m. ~ *Heather Alexander and Steven Barnes*. From out of the mists of ancient Celtic forests comes this talented duo to entertain you with songs of lore and legend, soulful airs and sprightly dance tunes. Heather plays Celtic fiddle and sings. Steven Barnes, a talented science fiction author and screenwriter, reads from his book, *Lion's Blood*, as accompaniment.
- Thursday, February 20th from 6:30 to 7:30 p.m. ~ *Flamenco dancer, Rafaela Gillette*. Rafaela trained under a master flamenco dancer/singer in Spain. She has performed throughout Spain and now teaches in Portland.

Story hours for Kids

We offer these weekly story hours for children:

For 2 year olds: Thursdays at 10:15 a.m.

For 3-5 year olds: Tuesdays at 10:15 a.m.

Wednesdays at 10:15 a.m.
(repeat of Tuesday)

All ages: Mondays at 1:00 p.m.

Tuesdays at 1:00 p.m.

Join us at 4:00 p.m. on Thursday, February 20th for "Tall Tales" with Actors in Action.

Book Discussion Groups

The Library's two book discussion groups meet year-round. New participants are always welcome.

The "Classics" group meets on the first Tuesday of the month at 9:00 a.m. The upcoming topics are:

February ~ "Having Our Say"
by Sarah & Annie Delany

March ~ "Ordinary People"
by Judith Guest

The "Mystery" group meets usually meets on the fourth Tuesday each month at 9:00 a.m. The topics will be:

February ~ "Come to Grief"
by Dick Francis

March ~ "Red Screem" by
Mary Willis Walker

Friends of the Library Book Sales

The Friends of the Library maintain a book sale cart, near the New Book area, as an adjunct to their hugely successful bookstore. The book sale cart features discarded materials from the library's collection and donations to the bookstore – often duplicates to things they have in stock. Book cart prices are a very reasonable; \$1.00 for Hardbacks and \$.50 for Paperbacks. For a much wider selection of materials at bargain prices, visit the Friends' Bookstore, in the Antique Mall, at 502 Seventh Street, where they are open 11:00 a.m. to 4:00 p.m., Monday through Saturday.

Children Sleeping Through Smoke Alarms

Tualatin Valley Fire & Rescue reminds you that smoke alarms work—what remains to be seen is if the technology and the use of it can be changed. While national fire and safety organizations evaluate that, we remind you of the

following safety tips:

- Recognize how deadly smoke is and how quickly fire spreads. You may have only minutes to escape your home. (A closed bedroom door can act as a barrier, providing valuable time for a rescue from outside the home.)
- Have smoke alarms placed throughout your home for early warning – on each level and in bedrooms.
- Test your alarms weekly to ensure they are working. Include your children so they begin to recognize the sound.
- Parents – realize you may have to awaken and assist your children out of the home. Include this in your home fire escape plan.
- Practice your Home Fire Escape Plan! Adjust your plan accordingly for children who sleep through the alarm, infants, or a physically disabled family member. Remember...correct behavior is learned!
- Retrofit or build your next home with residential sprinklers. (Residential sprinklers can extinguish or contain 98% of fires in the room of origin.)

February at the Carnegie

There are a lot of things happening at the Carnegie Center this month. Before you let the winter rain and cold get the better of you, check out the Carnegie Center for instant winter relief.

In the Gallery

View etchings and oil stick paintings by artist Doug Hunt through the month of February. Hunt's artwork is bold and bright, utilizing strong colors and design.

Saturday Nite Java

Join your friends and neighbors at the Carnegie Center for an evening of espresso and music. On February 15th, the Woodwind Quintet will be performing a variety of music including: light classical; ragtime dances; marches and show tunes. The music runs from 8:00 to 10:00 p.m., and admission is \$2 per person.

Art Classes at the Carnegie

Join artist Bonnie Merchant, on February 6th & 13th, from 6:30 to 9:00 p.m., to learn the art of building and finishing small pieces with polymer clay. This amazing medium can be finished to look like bone, stone, tile or anything you can imagine. During these classes you will learn to make Vessels and Boxes. The cost is \$20.

Artist Susan Sloan continues her classes on beading basics. This month she will hold two classes: on February 13th create a choker that sparkles with fire polished Czech glass; on February 20th learn the basics using the Native American brick stitch technique to make a heart pendant to wear on a necklace or as a pin. Classes include instruction and all supplies; cost is \$22 per class.

Join artist Karen Grondin, February 8th & 15th, from 9:00 a.m. to 1:00 p.m., for a mosaic workshop. This class is for anyone who can't bear to throw anything away. Use all your bits and pieces to make a glorious whole! Learn how to design, glue and grout a great mirror or picture frame. The cost is \$15.

Basic Drawing ~ Learn about composition and different drawing materials. There are two classes: Youth ages 8 – 11 can attend February 13th from 3:30 to 4:30 p.m., the cost is \$15; Adults can attend February 20th from 6:30 to 8:00 p.m., the cost is \$20.

OSU Master Recycler Course

The next Oregon State University Extension Service Master Recycler course is set to begin Tuesday, March 11th, at the Sunnybrook Service Center in Clackamas. This popular eight-week course, which includes no field trips, provides 30 hours of instruction in topics such as waste prevention, recycling processes, alternatives to hazardous household products and composting.

Once certified, course graduates put their skills to work to help others learn the three R's: to *reduce* the amount of solid waste generated; *reuse* material for the purpose for which it was intended and *recycle* material that cannot be reused. Master Recyclers volunteer to staff information booths at community events, make presentations and work on special projects. Participants agree to volunteer at least 30 hours after completing the course.

The \$50 course fee includes materials. Scholarships are available. Advance registration for the spring course is required by February 27th. Information and applications are available by calling OSU Extension Service Agent Megan Cogswell at 503-725-2035. Class size is limited, so call early to reserve a spot.

Master Recyclers is an OSU Extension Service program supported by Metro, the City of Portland, Clackamas County Recycling Partnership, Recycling Advocates and the Department of Environmental Quality. OSU Extension Service offers educational programs, activities and materials—without regard to race, color, religion, sex, sexual orientation, national origin, age, marital status, disability, and disabled veteran or Vietnam-era status.

First City Festival of Arts and Heritage

Oregon City's "First City Festival of Arts and Heritage" will be held on July 12th and 13th, on the grounds of the Carnegie Center and Pioneer Center in Oregon City, from 10:00 a.m. until 4:00 p.m. Art and fine crafts will be exhibited and sold along with booths that feature 'pARTners with kids' (an interactive art display), community enrichment booths, musical entertainment and refreshment stands. The Oregon City Arts Commission is sponsoring this event. If you are interested in participating in this juried event, please call Jude Welter at 503-632-6027, or e-mail her at welterstdo@bctonline.com for registration information.
