

**CITY OF OREGON CITY
GYM MEMBERSHIP**

In keeping with the spirit of wanting all employees to have the ability to work out in a facility that meets their needs, convenient for them, and is of their own choosing, the City is willing to work with employees to make this work for everyone.

You pick the facility you wish to utilize and the City will pay \$15 towards membership for **full-time employees** and withhold the remaining amount of your membership directly from your check and send it to the facility of your choice. Example below:

Total Membership Fee for self or family	\$40/month
City will pay	\$15/month
City will withhold from your check	\$25/month

Gym membership requests need to be turned in the first of the week prior to the ending of any pay period for it to become effective the first of the following month. Please check with your gym to get the correct mailing address for us to mail checks.
