

Oregon City Public Library Card Application

Dear Patron:

Please bring a completed application and your identification (see ID REQUIREMENTS and PROOF OF ADDRESS below) to the Circulation or Childrens' Desk.

ID REQUIREMENTS: Patrons will need to bring one of the following: Driver's license or official state identification card, passport, or any government issued picture ID.

PROOF OF ADDRESS: In the event that the above identification does not include the current address then a copy or original of something verifying the address is also required - mail with current address, etc.

Note to parents of children under the age of 13:

We require that children under the age of 13 have a parent or legal guardian sign the application for their card and provide identification and proof of address that meet requirements listed above.

If you are not able to accompany your child when he/she applies for a library card: Please have your child bring a completed card application and photocopy of your ID (and a piece of mail for proof of address if necessary).

A delay in account registration may occur if there is an existing account with outstanding charges. We will contact you to clear up the problem so that we may update the account and issue a library card as soon as possible.
