**\*In the event of an emergency, your emergency contact is also the only other authorized person to pick up your child.**

**Please list any medical issues, medications, allergies, physical or emotional needs or other pertinent information leaders should know:**

---

---

---

**Additionally, please check each box to ensure your awareness of the following OCP&R Covid-19 camp requirements:**

- Do not bring students to camp if they or anyone in their household have recently had an illness with fever or cough. They should stay remain home for at least 10 days after illness onset and until 72 hours after fever is gone, without use of fever reducing medicine, and COVID-19 symptoms (fever, cough, shortness of breath, and diarrhea) are improving.
- Do not bring students known to have been exposed (e.g., by a household member) to COVID-19 within the preceding 14 days.
- We encourage you to please check your child’s temperature in the morning before coming to camp. As an additional precaution, I understand that staff will also take temperatures upon arrival.
- I understand that if my child’s temperature is 100.4 or higher that my child will need to be sent home.
- We are striving for a 6-foot distance of all programs and activities in our camps. It is helpful if you would please remind your child of the importance of physical distancing.
- Our counselors will be wearing masks, and effective 7/24/20 under the governor’s guidelines, we will be asking campers 5 and older to wear face coverings during our camps. If you forget one, we will have some available.
- We will have a designated drop off/pick up site outside and are asking parents to not interact with other kids of the camp as well as refrain from bringing pets, other siblings, etc. to help limit exposure.
- Only two designated guardians, the primary and secondary listed above, are approved to pick up/drop off their child from camp, for each weeklong camp session.

**In consideration of the right to participate in this activity, I hereby agree to indemnify and hold the City of Oregon City, the City Commissioners and the officers, agents and employees of the City (the indemnities) harmless from:**

- All liability, damage, loss, cost, or expense, including, but not limited to attorney’s fees, that may sustain or incur on account of any damage to or destruction of any property that the City may own or in which it may have an interest;
- All liability, damage, loss, cost, or expense, including but not limited to attorney’s fees, on account of any damage to or destruction of any property belonging to any person, firm, or corporation; and
- All liability, damage, loss, cost, or expense, including but not limited to attorney’s fees, on account of any damage resulting from injury or death of any person or persons resulting from or in any way connected with the use by the permittee, its agents or employees, of the street, area or facility to which the permit/permission pertains.
