Covering the Miles for Meals on Wheels

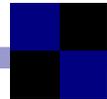

Meals on Wheels is a program that meets the nutritional needs of our homebound seniors with the help of volunteer drivers who are willing to go the extra mile to help those who can't always help themselves! Many volunteer drivers are themselves seniors on fixed incomes who may have their own physical disabilities. Still, they come in with the willingness to donate their time and use of their vehicles to join us in the fight against senior hunger. Our volunteer drivers provide our homebound senior clients with companionship, caring and support, along with a hot meal.

Today, we're asking **you** to help us ease the burden of those who volunteer. Your donation will help provide mileage reimbursement to volunteer drivers who go the distance to make a difference in many homebound seniors' day. Some *Meals on Wheels* drivers are driving 60 miles round trip, and they're not driving hybrid vehicles. Don't let fuel costs keep a senior from receiving a hot nutritious meal or put a financial burden on our volunteer drivers.

Please help us keep our drivers on the road!

With your tax-deductible donation, we offer an annual listing in the Pioneer Center's bi-monthly newsletter and OC's quarterly *Trail News* and a magnetic door sign on our drivers' cars stating "**Meals on Wheels Route sponsored by (your business here)**". We want to keep our drivers free of worry while they make a difference in our communities. Even though our homebound seniors often don't ask, we want to make sure they receive what they need!

**Support the Meals on Wheels program by making a donation to the
"Cover the Miles" for Meals on Wheels program today!
Thank You for your support!**
