## YOU CAN MAKE A DIFFERENCE

The Pioneer Center provides great opportunities for volunteers to become involved with the senior community and the many services that are available to help them maintain an independent lifestyle.

Our volunteers assist seniors with transportation, nutrition, education, healthy living activities, companionship, events and much more.

Our small staff needs your help to keep our programs operating and running smoothly.

No matter how much or how little you are able to volunteer, we can work with your schedule to get you started.
