### **Rick Winterhalter**

**Historic Review  
Board Member 2001-2008  
Chair 2004-2008**

*"I enjoyed serving on the Board for many years with Rick. His dedication to historic preservation and the countless hours he spent preparing for meetings, documenting the historic fabric of the our neighborhoods, and his dedication to educating the public were above and beyond what any citizen volunteer would be expected to do. Because of these efforts numerous buildings and building elements have been preserved within Oregon City."*

*His passion for historic preservation served him well on the Historic Review Board and his sense of humor kept it all in perspective. He was generous, patient and helpful to all applicants who came before the HRB. A more deserving recipient, I can't imagine.”*
