# CITY OF OREGON CITY

## FRONT LOT LINE

### Where is the Front of My Lot?

#### Square Lot:

The front lot line is the line abutting the street.

#### Flag Lot:

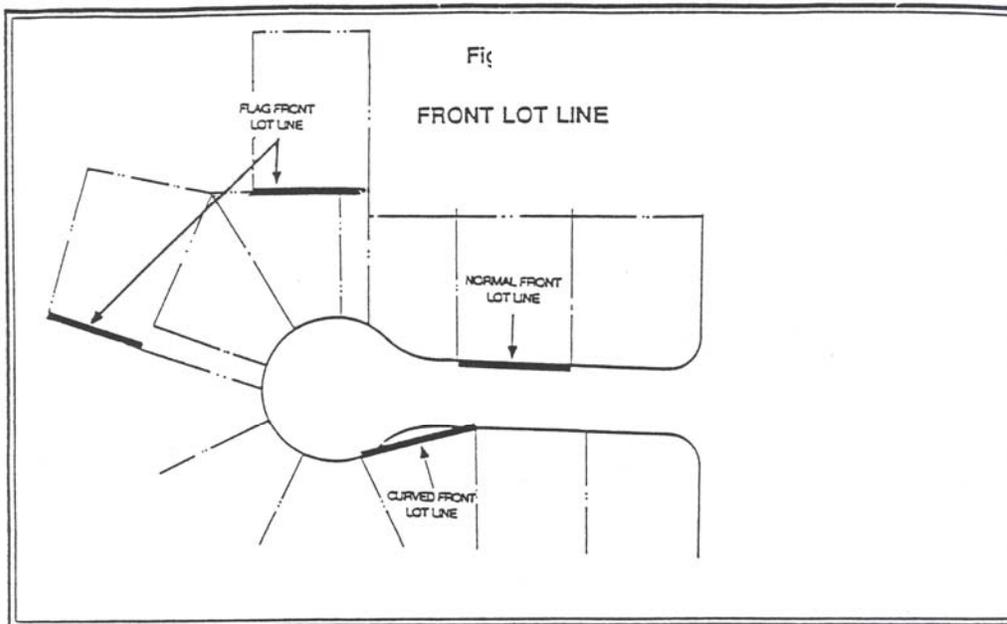

The front lot line is the shortest lot line adjoining the pole portion of the lot, excluding the unbuildable portion of the pole.

#### Corner Lots:

The front lot line is that with the narrowest frontage.

#### When the Lot Line Abutting a Street is Curved:

The front lot line is the chord or straight line connecting the ends of the curve.

### Main Entrance

The main entrance for each structure must:

- Face the street or
- Be at an angle up to 45 degrees from the street or
- Open onto a covered porch that is at least 60 square feet with a minimum depth of 5 feet on the front or, in the case of a corner lot, the side of the residence.

*Please see the Planning Division for more details.*
