Description of Physical and Landscape Features:			
<p>The Church of St. John the Apostle at 410 Center Street is a modern building clad in variegated, buff colored brick. The front entrance with its large pointed window in framed in concrete. The concrete mullions form a cross. The other windows are a modern geometric stained glass. The roof is a moderately steep gable which extends to cover the aisles. The bell tower, also of brick with concrete trim, is detached and has a gabled roof.</p>
