Description of Physical and Landscape Features:			
This one story minimal tract-style house has a rectangular plan and sits on a poured concrete foundation. The gable roof is covered in composition shingles and is pierced by a chimney. The house is covered with lap siding. Windows are primarily 1/1 and one original 2/2 wood double-hung. The south façade has a square bay. The front projecting portico has a recessed main entrance door and inset porch. There is a poured concrete retaining wall at the sidewalk.  A garage sits to the north of the house.
