Description of Physical and Landscape Features:			
The stucco surfacing on this 1-1/2 story bungalow with arched porch ends does not appear to be original. The house features a side gable with eave brackets. The gabled porch is supported by three arched openings with a solid rail. The soffits and porch ceiling are T&G. The front elevation features two large 8/1 fixed windows. The east elevation is distinguished by an 18" projecting separately roofed room with one window. The chimney is gray brick. A large dogwood marks the front yard.
