Description of Physical and Landscape Features:			
This simple, one-story minimal tract house has a cross gable roof covered in composition shingles. It has a rectangular plan and sits on a poured concrete foundation. The house is clad in lap siding and has narrow bargeboards. The house features a gabled entry vestibule. The large window on the front elevation is flanked by small shutters. The windows are primarily 2/2 wood. At the rear is an older two car garage featuring channel drop siding and its original slider door.
