Description of Physical and Landscape Features:			
This 1-1/2 story residence has a rectangular plan. It sits on a concrete foundation and is covered in stucco. The side gabled roof has a front gabled projection with a half round window in the gable and is covered with tile. The windows are primarily 1/1 wooden double-hung or large fixed. The front porch has been rebuilt with a shed roof of a slightly different slope than the main roof and with stucco. There is a basement with at least one exposed brick wall. The garage is at basement level with a modern door. There is a recent wooden balcony on the south side.
