Maximum Number of A-frame Signs at this Location at One Time* _____

*Within the Mixed Use Downtown District, Willamette Falls Downtown Design District and Mixed Use Corridor 2 District the number of signs placed within the right-of-way is limited to the number of public entrances per building, up to three (3). In other Commercial and Industrial zones, each property is allowed one (1) A-frame sign in the right-of-way per frontage. In Residential areas, one (1) A-frame is allowed per frontage, during specified hours.

SIGN PERMIT

Depending on the display time, the sign may require a permit from the Planning Division. Upon approval of the sign permit, the City will provide you a sticker to place on the sign to show it is approved.

HOW TO REPORT A VIOLATION

Help us keep our community looking great! Complaints about signage can be submitted easily (and anonymously) in any of the following manners:

- By calling Code enforcement at 503.496.1559
- Online at www.orcity.org
- With the GOREquest app for iPhone and Android

Further information regarding all allowable types, dimensions and placement of signs can be found at www.OCSignCode.org.

The applicable standards may be found in Chapter 15.28.100 of the Oregon City Municipal Code.
