

## Type I Site Plan and Design Review Reroof Addendum

Re-roofing of existing structures must be in compliance with the Building Materials requirements of Oregon City Municipal Code Sections 17.62.050.H. Please note, this addendum is for re-roofs only, with no change to the roofline. If roof-line changes or any additional modifications to the building façade are being proposed, please complete the **Type I Site Plan and Design Review Addendum 1: Exterior Façade Changes**.

Please describe the proposed reroofing project in detail:

---

---

Does the proposal include additional changes to the building façade (changes to awnings, windows, entranceways, etc.)?  Yes  No

Does the proposal include a change in the roofline or roof structure?  Yes  No

Does the proposal include modifications to parapets (removing parapet, adding parapet, changing existing parapet)?  Yes  No

If you answered yes to any of the above questions, please complete **Type I Site Plan and Design Review Addendum 1: Exterior Façade Changes**. This addendum is for reroofs only.

*Staff Only*

Proposal eligible for reroof addendum?  Yes  No  Not Applicable Initial \_\_\_\_\_
