

CLACKAMAS ELECTRICAL SYSTEMS

November 5, 1997

Mr. Siegfried Siebeneich
Oregon City Retirement Center
515 10th Street
Oregon City, Oregon 97045

This letter certifies that on this date your fire alarm system was tested according to NFPA standards and operated successfully. The sprinkler alarm had been serviced and tested just prior to this test and were not included in this test. All questions regarding this test should be directed to me for clarification.

David Mc Neel
