

Oregon City Public Works has contracted with [Intermountain Slurry Seal, Inc.](#) to apply a coat of slurry seal to several Oregon City street segments. Slurry seal is a protective coating that preserves the quality of the street, extends its life and protects your investment in Oregon City's streets. You are receiving this notice because work is scheduled for streets in the vicinity of your home or business. Work is tentatively scheduled to occur between **July 20-July 24, 2020**. The closure of each street segment is required for one weekday (actual date of closures are still to be determined) to all but emergency vehicles from 7:00 AM until approximately 6 hours after the application of the slurry seal.

Please visit our website at:
<https://www.oregoncity.org/publicworks/project/ci-20-004-ci-20-004> for additional slurry seal information.
YOU WILL RECEIVE A DOOR HANGER WITH NOTIFICATION OF ACTUAL DATE OF WORK
