

**CITY OF OREGON CITY
DEVELOPER/ENGINEER AGREEMENT
FOR PUBLIC WORKS IMPROVEMENTS BY PRIVATE DEVELOPMENT**

By this agreement, required by the City of Oregon City, _____
agrees to provide the following professional engineering services for the public improvements
associated with the private development project, _____
(City Planning File No. _____) using their Civil Engineer, _____

- 1) Prepare the required civil engineering construction plans and obtain approval for the proposed private development project in accordance with the City of Oregon City Public Works design standards. Obtain approvals from other governing agencies. Attend a pre-construction meeting.
- 2) Provide field inspection for the project to ensure city material and construction standards are met and approve materials and workmanship as required by the plans and specifications according to the Minimum Guidelines for Inspection/Observation and Construction of Public Improvements. The Engineer may give written notice that all work be stopped until the Engineer is satisfied that materials and workmanship conform to the applicable specifications. The City may give written notice that all work be stopped until the City is satisfied that the Engineer is providing the appropriate review/observation/inspection and that materials and workmanship conform to the approved plans.
- 3) Process design changes to approved plans and submit modification requests for approval by the city.
- 4) Provide "As-Built"/"Record Drawings per the City of Oregon City Standards for the constructed public works improvements, a Certificate of Completion, copies of test results and inspection logs for acceptance and approval by the City..
- 5) The project engineer and owner agree to notify the City Engineer immediately if the above agreement is terminated, or if the engineer for any reason is unable to perform the above duties. The project engineer and the owner understand that a breach of this Agreement may be reason for the City to issue a "Stop Work" order. This agreement is not transferable.
