### TARGETED IMPROVEMENTS

-  Upgrading existing curb ramps on the east and west sides of Molalla Avenue to **Americans with Disabilities Act (ADA) compliant curb ramps**
-  **Increasing safety at pedestrian crossings by adding new enhanced pedestrian crosswalks**, referred to as “Rectangular Rapid Flash Beacons” (RRFB’s) in three key locations.
-  Replacing two outdated existing traffic signals with new, **ADA-compliant upgraded traffic signals** on Molalla Avenue at Clairmont Way and Gaffney Lane. Adding a new traffic signal at Fir Street.
-  **New welcome/gateway feature** at the south end of the corridor.
